We have a few spaces left on our paediatric first aid course on 20th 21st 27th & 28th March. This course comes at a cost of £60 but is a very useful qualification to gain. For parents with young children you will gain life saving techniques and information. To book simply enquire at the office.

Saying Goodbye!

We are very sad to inform you all that our lovely Emily will be leaving us from 1st March. She has gained an exciting opportunity with the NHS as a Play worker (her dream job). All the staff and children wish Emily all the best in her future role!
